REPORTS

CHAIR REPORT presented by Deidra:

Welcome to our last meeting for the school year! Thank you Langenburg SCC for joining us tonight for our appreciation supper!

The online auction for Rylan was a huge success. Thanks to everyone who contributed and helped. We are thinking of the Wowchuk family and hope they can get some answers.

Thanks to the Lioness for the donation towards pinnies.

Tara always does a fabulous job for teacher appreciation day. All of the goodies were enjoyed by all!

Seastar awards were presented to Val Entz & Nicole Clarke.

Tara, Regan and myself are registered as community coaches. We are able to coach and attend school events if a teacher is unable to attend.

CPS placed 15th in Canada for the Terry Fox Top School Fundraiser's for 2023, great job!

The best Band concert was held on April 30th. Mrs Hearn has done a great job of engaging students and revitalizing the band program in Churchbridge.

Due to a community concern CPS was placed on Hold & Secure on April 26th. The staff did a great job of handling the situation and keeping kids and parents informed. To date the RCMP have notified us they located the individual, spoke to them and don't have any issues or concerns.

SCC meetings will resume in September. We will continue with #5 of the SCC PD Modules.

We want to take this opportunity to thank Lois Smandych for her constant encouragement and support. Thank you for your outstanding leadership and for creating an environment where students can thrive. Your dedication, passion, and commitment has made a positive impact on our school community. We are grateful for your leadership!
